

Press Release

VARTA Microbattery installs new Distributor for the Region UK and Ireland

Ellwangen, in February 2011

VARTA Microbattery and Anglia sign Distribution Agreement

VARTA Microbattery GmbH announced today a new partnership with the distributor Anglia for the market UK and Ireland. Anglia will distribute the whole product portfolio and the various technologies on the UK and Ireland market. The VARTA Microbattery products are available in a warehouse in UK to serve customers there directly.

Anglia was qualified in a comprehensive selection process for the distribution of VARTA Microbattery products. Anglia is a leading distributor of semiconductors, optoelectronics and interconnection of passive and electromechanical components in the area UK. The company is ISO9001 and ISO14001 certified.
