

**Hydrogen Gas Generating Cells
for Medical & Health Care**

Product Overview

Article Designation	Article No.	No. of Cells	Typical Gas Output (ml)*	Volume of Article (ml)	Diameter (mm)	Height (mm)	Weight (g)
V 150 H ₂ MF	24690 101 501	1	150	0.55	11.6	5.5	1.65
2/V 150 H ₂ MF SK BE**	24690 302 501	2	300	1.2	11.9	11.2	3.4

* at 20°C, 1013 hPa
 ** Assembly: SK = Stack up, BE = Bare (No final sleeve)

Other cell assemblies on request, e.g. for ~ 1 l hydrogen

Gas Generating Cells

- for small innovative automatic dispensers
- for portable dosing solutions
- for easy short, medium or longterm drug-delivery
- for intelligent medical packaging

Medical-, Pharma-, Health-Applications

- Human Health
- Drug Delivery Systems
- Ultra-pure Hydrogen H₂ Use
- Mechanical Movement
- Gas Use
- Animal Health

Contact

Headquarters Germany

VARTA Microbattery GmbH, Daimlerstrasse 1, 73479 Ellwangen, Germany
 Tel +49 79 61 921 - 0 | Fax +49 79 61 921 - 553

Americas

VARTA Microbattery, Inc., 555 Theodore Fremd Avenue,
 Suite C 304, Rye, NY 10580, USA
